About the Los Angeles Emergency Preparedness Foundation

The Los Angeles Emergency Preparedness Foundation (LAEPF) is a 501(c)(3) nonprofit organization that has been formed for the purpose of supporting the City of Los Angeles Emergency Management Department with emergency preparedness and mitigation activities; education on disaster preparedness; assistance and support when an incident occurs; and fostering collaborative preparedness efforts with business, government, academic institutions, non-governmental organizations and communities.

About the Emergency Management Department (EMD)

The Emergency Management Department was established by ordinance in 2000 by the City Council and Mayor. EMD is dedicated to leading the City in comprehensive emergency management including: planning, mitigation, preparation, response to and recovery from natural, manmade and accidental incidents of high consequence.
