

With the time, energy, and support of community partners,
County Department of Public Health, and
City of Los Angeles departments,
over 33,000 people received their vaccines at the first 17
H1N1 Points of Dispensing (PODs) across the City of Los Angeles!

THANK YOU!

The **City of Los Angeles Emergency Management Department**
offers the deepest gratitude to the following groups for their outstanding commitment
to the **October 2009 H1N1 Vaccination Clinics**:
